New Board Member - Oliver Wessollek

In March, IFISA requested interest from the membership for an additional Board member. We are pleased to announce that Oliver Wessollek, from the Gewerkschaft der Flugsicherung (GdF) has accepted a position on the Board. This position is effective immediately and continues until the next Assembly meeting scheduled on September 4th.

Please join the Board in welcoming Oliver to his new role as an Officer of IFISA. We look forward to his involvement in planning the future of IFISA. Work continues on the upcoming FISO Seminar in Bodø this September and additional information will be available in a few weeks.

John Baldwin

President
